

D180 CONTACTLESS MPOS

- **Contactless, Chip, Magstripe**
- **Bluetooth Connectivity**
- **iOS, Android, Windows**
- **PCI PTS 3.x, SRED**
- **MasterCard MPOS**
- **Visa Ready**

PAX's D180 is a compact, stylish and cost-effective wireless MPOS terminal, PCI PTS 3.x certified, which connects to a wide range of Smart Phones, Tablets and PCs. The D180 delivers a seamless transaction experience: easy to use, convenient and fast. Supporting Bluetooth and USB communications, and with Audio functionality, the D180 streamlines your payment business whenever or wherever necessary.

Acquirers and Processors can generate new revenue streams by enabling a whole suite of new Merchant categories to accept card payments. The advanced architecture used inside the D180 helps reduce post-development and maintenance costs.

Your Payment Partner of Choice
