

## **PAX Successfully Hosts 2017 Worldwide Partner Conference**

**(Hong Kong, PRC, 13 April 2017)** PAX Global Technology Limited ("PAX," HKSE stock code: 00327.HK), a global leader in the provision of secure electronic payment terminal solutions, has successfully hosted its 2017 Worldwide Partner Conference in Guangzhou during 9-13 April 2017.

With a theme of "Driving Payment Innovation", over 100 partners and industry leaders from all over the world gathered to discuss the future of payments. PAX unveiled a new impressive product roadmap. Innovations showcased at the PAX event this year included the sleek Q80 and Q90 Android payment terminals, the beautifully designed, integrated retail solutions E820/ E810/ E500, the new Q30 Smart PINpad and a contactless enabled QR code payment reader QR55.

At this conference, PAX provides a full range of payment solutions for global customers through the launching of the PAXSTORE app-store suite and the new PAXPAY payment gateway service designed specifically for new forms of mobile payments.

**Mr. Jack Lu, CEO of PAX** stated: "We were delighted to see more partners join our conference this year. The ability to be both agile and innovative is a critical success factor in today's fast-changing payment industry. Our mission is to continue working closely with our global customers to accelerate the pace of innovation and stay ahead in the competition."
