

Cashless Payments Enabled at FIFA World Cup Stadiums by PAX Technology

(PRC and Hong Kong, 27th June 2018) **PAX Global Technology Limited** (HKSE stock code: 00327.HK), one of the world's leading electronic payment terminals solutions providers, is enabling thousands of enthusiastic football fans at the FIFA World Cup in Russia to conduct cashless transactions at stadium locations.

The PAX S900 wireless handheld payment acceptance device is enabling vendors to go mobile, delivering food and beverages straight to fans in and around the grounds, helping increase sales volumes as transactions are conducted quickly and conveniently using Visa and MasterCard.

Mr. Larry Sun, Vice President at PAX, said: "This all-in-one mobile solution with the S900 terminal makes it so much easier for businesses to sell more, while allowing consumers to pick and pay so conveniently. PAX is proud to see its best-in-class payment terminal solutions deployed at prestigious international events as the FIFA World Cup."

Mr. Jack Lu, CEO at PAX, concluded: "It is wonderful to see how easily the stadium vendors were able to upload their food and drinks menus to the S900 terminal, take orders from so many people so quickly, and with such fast payment transaction times."
