

## Beşiktaş Scores with PAX Android Technology

(Hong Kong, PRC, 24 September 2020) **PAX Global Technology Limited** (“PAX” or the “Company” or the “Group”, HKSE stock code: 00327.HK), one of the world’s leading providers of electronic payment terminal (“E-payment terminal”) solutions and related services, is delighted to announce that famous Turkish football club Beşiktaş JK is implementing a contact-free unattended payment system to allow fans donate to the team at BJK stores across the country.

The solution, developed by reputable PAX integrator partner Etisan, uses the PAX A910 Android SmartPOS which display prominently features the Beşiktaş logo and donation amount so that fans can transact in a more personalized and contact-free manner, thus minimizing the risk of virus spread. Contactless payment donations are automatically processed at 50 Turkish Lira.

**Sinem Kir, VP of Sales and Marketing at PAX Turkey**, said, “We are excited that BJK chose PAX to support payment transactions in their donation project. The A-series terminals by PAX are modern looking devices with large high definition screens and contactless payment readers which are perfectly suited to BJK’s long-term requirements. Working with Etisan, we have implemented a secure, engaging and contact-free in-store donation solution at the point of sale.”

The PAX terminal donation solution also caters to the donation needs in other market segments and further roll-out is expected over the coming year.
